

Abstraction and Reporting Training

The Kansas Foundation for Medical Care Inc., is pleased to offer the following trainings for April 2010 through May 2011:

PPS: This training is for PPS hospitals and will cover issues specific to RHQDAPU participation as well as basic abstraction training for new abstractors. (Offering two trainings strictly for new abstractors)

CAH: This training is for CAHs and covers basic abstraction using the CART tool and use of CART reports for quality improvement. (Offering two trainings strictly for new abstractors)

Abstraction 201: This training is designed to review difficult to abstract elements for AMI, HF, PN and SCIP.

QNet/Reports: Not sure how to run or use your QualityNet and CART reports? Are you responsible for the oversight of hospital reporting but don't do the abstraction? This training will delve into the world of running those reports and using your data reports to organize improvement activities at your facility.

All trainings will take place at the KFMC office - 2947 SW Wanamaker Dr., Topeka, KS.

Please see other side for training dates and registration form!
