

Showcase Your Impact. Help Shape the Future of Health in Kansas.

The **2025 Kansas Health Impact Conference** is your chance to stand out as a leader in health and wellness. We invite you to become a sponsor or exhibitor at this important event, where collaboration and innovation take center stage.

As a sponsor or exhibitor, your participation demonstrates your commitment to advancing health for all Kansans. You will become part of a statewide movement to improve health outcomes, close care gaps, and create a lasting impact across communities.

This is a great opportunity for your organization to:

- · Connect with key stakeholders and decision-makers from across Kansas;
- Build and strengthen partnerships with organizations working to solve real health challenges; and
- · Showcase your program, product, or service to a mission-driven audience.

Join changemakers from across the state — public health professionals, community leaders, healthcare providers, nonprofit organizations, and health advocates — as we come together to collaborate on improving health for everyone.

Sponsorship Levels & Exhibitor Opportunities

Be Seen. Be Heard. Be Part of the Change.

Bridging Gaps for a Healthier Kansas – our 2025 conference is focused on empowering participants to:

- · Use data to better understand and prioritize community health needs
- · Identify and connect with regional resources that support health and wellness
- · Build partnerships across organizations and communities
- · Take action that links data, resources, and collaboration to improve outcomes
